

# FIRST ANNOUNCEMENT

## Development and Modernization of Manufacturing

The international conference on Development and Modernization of Manufacturing (RIM) is a biannual event organized by the Faculty of Technical Engineering, University of Bihać. Since its inception in 1997, the Faculty has successfully hosted 13 iterations of this scientific conference in four different countries: Bosnia and Herzegovina, Croatia, Egypt, and Montenegro. The primary aim of the Conference is to bring together a diverse group of international scientists, engineers, industrialists, and experts, providing them with an exclusive platform to exchange innovative ideas and share the latest advancements across various fields of engineering.

### Important Dates

**April 30th, 2023** | The deadline for the abstract submission

**June 18th, 2023** | The deadline for the final paper submission

**September 10th, 2023** | The deadline for the delivery of the conference program to the participants

**September 16th, 2023** | The deadline for the fee payment

**September 20th - 22nd, 2023** | The RIM 2023 Conference

### Fees

#### PUBLISHING IN THE ELECTRONIC PROCEEDINGS

Conference fee per paper published in the Electronic Proceedings

**150 BAM**

#### PUBLISHING IN THE ELECTRONIC PROCEEDINGS FOR STUDENTS

Student conference fee per paper published in the Electronic Proceedings

**50 BAM**

#### PUBLISHING IN THE IOP CONFERENCE SERIES: MATERIALS SCIENCE AND ENGINEERING

Conference fee per paper published in the IOP Conference Series: Materials Science and Engineering

**200 BAM**

### Language

**ENG** and **BHS** are working languages of the Conference.

Abstracts and full papers must be submitted in **ENG** only.

### Note to the Authors

The Proceedings with abstracts (ISSN: 2566-3257) of all accepted papers will be printed and distributed to all conference participants. Furthermore, negotiations are currently underway for the publication of selected papers from the fields of mechanical engineering, wood products engineering and design, electrical engineering and computing, and technologies and structures in civil engineering in the IOP Conference Series: Materials Science and Engineering. This conference series is indexed in the Conference Proceedings Citation Index (Web of Science), Ei Compendex, and other scientific databases.

Accepted papers not selected for publication in the IOP Conference Series will be included in Electronic Proceedings (ISSN number: 2566-3283) that will be made available on the conference website and the website of the Faculty.

### Sections

Mechanical Engineering

Wood Products Engineering and Design

Electrical Engineering and Computer Science

Technologies and Structures in Civil Engineering

Textile Design and Technologies

Law-Economics Regulations and Standardization

Quality Assurance, Environment Protection and Sustainable Development

### Organization Committee

Dr. Atif Hodžić, president, Dr. Damir Hodžić, vice-president, Dr. Fadil Islamović, Dr. Aladin Crnkić, MSc Mustafa Ružnić, MSc Edvin Aljanić, Dr. Fatka Kulenović, Dr. Jasna Hamzabegović, Dr. Edis Sofić, Dr. Šefik Behrem, Dr. Redžo Hasanagić, Dr. Samir Vojić, Dr. Aida Husečić, Dr. Dženana Gačo, Dr. Minka Čehić, Dr. Husein Rošić, Dr. Ermin Bajramović, Dr. Ratko Knežević, Dr. Blaženka Brlobašić Šajatović, Dr. Esad Bajramović, MSc Dejla Ramić, MSc Amel Džanić, MSc Amel Toroman, MSc Zinaid Kapić, BSc Irma Pašić, Nevzeta Čehajć.

### Scientific Committee
